PRELIMINARY AMENDMENT

Please enter the following preliminary amendment to the above-identified application:

IN THE SPECIFICATION

Page 7, line 19, delete "19" and substitute --20-- therefor;
line 21, delete "19" and substitute --20-- therefor;
Page 8, line 6, delete "19" and substitute --20-- therefor;
line 9, delete "19" and substitute --20-- therefor.

Remarks

In the Specification and drawings as originally filed, the reference numeral "19" was inadvertently used to denote both a variable acoustic leak and a microphone port. This amendment resolves the resulting ambiguity by changing to "20" the reference numeral for the microphone port.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Commissioner of Patents and Trademarks, Washington, D.C. 20231.
